### **ZOOM CLOUD MEETING APPS**

Dear students, we are going to take live classes from 11 October 2020 through “Zoom Cloud Meeting Apps”. To download these apps, for android device go to Play Store and search by typing “Zoom Cloud Meeting” and for Laptop/Desktop go to “<https://zoom.us/>”. Then install the Zoom Cloud Meeting app. After installing the app enter your Gmail account or open with google/facebook account to sign in. After signing in click on “Join Meeting”, you will need to enter the Meeting ID in the Meeting ID cell. We will provide the meeting ID and password. After entering the meeting ID, if you click on “join the meeting”, "Enter your password" will come. You have to enter the live class by entering the password and clicking on "Join With Video". More info please contact with teacher.
